Deliberative

Thanks so much for everyone's quick review! Attached are marked-up and clean versions of the revised draft FRN that address the comments we received. If you think the clean version is ready send, I recommend sending up to leadership along with a request for their feedback by noon on Friday. We need to be able to incorporate their comments and send the pre-signature version of the FRN to the Office of Policy for their review by COB Friday, Dec 11.

Subject: RE: Deliberative - Action Requested on Assumption - Review of Federal Register Notice on R4 final action

Good morning everyone! To the extent possible please try to review and provide comments by today on the draft FRN, and compared to the draft Responsiveness Summary it's a very quick read (4 pages). We want to send it to OP on Friday (Dec 11) for their pre-signature review, and we still need to get it to leadership and ask for their quick feedback after you review it. Thanks! Tom

Deliberative

All,

Attached for your review and comment is the FR notice to notify the public of the assumption decision. This is signed in R4 and will be routed with the package. Note that HQ is also working on an FR for the final rule which is distinct from this notice. Please review and return comments to me not later than COB tomorrow (Thursday, Dec 10). If you have questions please contact me or Tom McGill.

Note – I just forwarded you the response to comments document for review and while it is much longer it is also our priority for your review.

Thanks
